REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: present application discloses a spectrum measurement system for measuring a wireless communication device comprising a preamplifier, down converter, IF filter a power meter and a personal computer. Prior art teaches the combined limitations. However, prior art does not teach or suggest in combination of the personal computer coupled to the power meter via a first control interface, the first control interface operated to read powers measured by the power meter, generate frequencies corresponding to the powers, and the personal computer operated to read the frequencies received from the first control interface, convert the frequencies received from the first control interface into real frequencies based on a predetermined calibration table and mark the real frequencies on a frequency axis and the powers on a power axis for plotting power and frequency graph with respect to the wireless communication device.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Sam Ahn whose telephone number is (571) 272-3044. The examiner can normally be reached on Monday-Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Mohammad Ghayour can be reached on (571) 272-3021. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
